CLASS 4/5E AND THEIR "CLASSY RESTAURANT

Abbey and Darcy help prepare the food

Taylah and Renee

4/5E transformed their classroom into a very "Classy Restaurant" last week. After days of anticipation and preparation they opened their door to staff and students last Tuesday. Patrons were greeted warmly by the students at the reception desk and were then seated by their waiter at the tastefully decorated table with a purple and silver theme. The food was delicious and the service exceptional. What a great experience Miss Edwards has given her students who were involved in every aspect from creating menus to learning safe food handling methods. They were even able to use fresh produce from their own garden.
