Education Week

Open Day

Thursday 1st August

Parents and family are invited to join us at 11.30am for a cuppa. Performances start at 12.00noon. Following the performances you are more than welcome to visit your child's classroom until the recess break at 1.30pm, which is the conclusion of our Open Day.

STUDENT MEDICAL FORMS

During Terms 3 and 4 we will be updating our medical records systems to ensure we have the most up-to-date information on your child's health.

If you have a child with a medical condition you will receive a copy of the new forms in the mail and will need to fill them out and return them to us as soon as you can.

The good news is we have already started collecting some of this information, which means less for you to do.

The new forms will help us collect your child's important medical information and the introduction of new systems will mean we'll be able to better manage the daily and emergency health needs of your child. We appreciate your support as we start collecting the information, and if you have any questions please call.

IGA COMMUNITY BENEFITS CARD

Please keep shopping at IGA and use your card. We have been able to cover the cost of each student visiting the Life Education Van with donations received from them.

LUNCHES THAT NEED HEATING

Appropriate lunches brought from home should not require heating or hot water added at school, and we do not have facilities to provide this service. Our canteen supplies hot food if your child wants a warm lunch.

REVIEW REMINDER

In Week 3 this term, our school is conducting a review of our student welfare policies, procedures and practices. The purpose of the review is to determine strengths and possible areas needing improvement, regarding student welfare. This review will be carried out by a panel, comprised of regional staff, a school principal, a teacher and a parent representative. Parents may be contacted by phone or letter, inviting them to participate or requesting permission for their child to take part. If you have not been contacted but would like to contribute you are most welcome to contact Vanessa.

Any information gathered by the review team will be treated sensitively and your identity will not be disclosed.

Any assistance you can offer during this process will be greatly valued, as it will assist us and our new Principal, Mr Todd Potter, with future planning. If you would like to know more about the review process, please contact Vanessa Bekis on 65687100.

2B AT THE ZOO

On Tuesday 18 June we had a video conference with Taronga Zoo. At 12 noon we met the author Aleesah Darlison who read to us her book called Puggle's Problem. Next we got shown some animals. We saw a green tree frog, echidna, blue tongue lizard and a ring tailed possum. It was amazing seeing the live animals.
