Principal's Report

Welcome to Week 8 of Term 3. With only 3 weeks to go, the term will be over before we know it.

I had banned myself from going on class until next year but could not resist the opportunity to work with 1C this morning. The kids were awesome. We talked about my favourite author and how we can all make sure we are doing our very best. Unfortunately for me the kids really took to the idea of listening carefully and making great choices throughout our morning so my "Principal Sticker" collection now has a fair dent in it. Well done 1C, I am sure that Miss Wesley is very proud of your efforts and application!

Throughout next term I hope to get the opportunity to work in all of our classes with all of our great kids. As with all teachers, I bring a certain set of expectations and they are quite simple. When we are in the classroom we are there to learn, we are there to be our best in everything we do. To do this needs a certain level of engagement and I look forward to showing our great kids just what this looks like when they are working with me. Please be sure to talk with your kids about their day each afternoon. The things they enjoyed, their achievements and the things that they are most proud of. We will certainly be pointing these things out to them each and every day during class.

I had the great pleasure of meeting the members of our AECG yesterday. They made me feel very welcome and I am looking forward to working closely with them throughout my time here in support of all of our students. They are working on several projects at the moment that have direct impact on the education of our kids and I was most impressed with the vision and organisation of this hard working group. I will be sure to keep everyone informed of how they are making a difference for our students and our school.

I cannot believe that on my first day away I missed the final NRL clinic for our school. By all accounts we can be very proud of the behaviours of our kids and a great day was had by all. Thanks to Mr Freebairn for all of his organisation. I am rarely out of my schools throughout the year. I like to be near the kids and in our school for our parents, carers and wider school community. Unfortunately my family situation at the moment will dictate that I miss a few more days this year. One of my sons will be graduating Year 12 on the 19 Sept and hopefully involved in a Group 9 grand final for Albury Thunder in the under 18's. It looks like I will miss the last 2 days of term. I would NEVER allow this to happen under normal circumstances and I would like to apologise in advance but there is no way around this situation.

Thank you to all of the parents and carers who have made me so welcome and actively supported our school, even this early in my time here. We will not be able to reach our full potential without you!

Have a great week.
Todd.

Library News

Read Across the Universe

Thank you to all students, families and staff who supported the Book Week Parade and Book Fair. Last Wednesday onlookers witnessed a spectacular display of colour, creativity and sunny smiles as Frank Partridge VC got into the Book Week spirit! See our website for more photos.

Commission earned from Book Fair sales totalled \$539.58. This commission has enabled the Library to acquire some quality titles and re-order more of the most popular titles. Look for them on our shelves soon!

Many thanks to parent helper, Chris Bagnell who once again assisted each morning at the sales table. Book Fair would not run smoothly without you!
