Week 6 Term 4

14th November, 2017

Welcome to Week 6 of Term 4.

All leadership speeches are now complete. All but a few students completed their speech and Year 5 should be congratulated on their efforts. The quality of public speaking in our school has improved considerably, with the support of Mrs Leahy and our teachers. Students and staff have voted and Anne and I will tally the votes once we have caught up with staff and students who were absent on the day. All the best to our Year 5 school leaders. With or without a badge, your role next year will be extremely important as you set an example for your younger peers. I am excited for 2018!

Our Presentation Day preparation is well under way. Class awards have again been a source of great worry for teachers as they would love to reward each and every member of their class for their efforts this year. With only 4 awards per class, this process is certainly difficult for our classroom teachers. I am looking forward to acknowledging those students who have really stood out both academically and socially this year. All the best to all of our students.

Kickstart 3 was again a success on Friday. We are looking like we will have 2 kindergarten classes again next year and our teachers will be Ms Edwards and Miss Scott. Miss Scott will be here 5 days a week. Mrs Williams will again be supporting our infant students and staff so our Kindi kids for 2018 will certainly have the opportunity to have a great start to their time in big school!

Aunty Nerida will be away on Long Service Leave this week. I know our staff and students will certainly miss her. Nerida does an incredible job at our school. Her office is always a meeting place for staff and students alike and she always has time for our staff, students and families. We hope she has a great break and will be eagerly awaiting her return.

Our Year 6 students have their High School Information Night on Thursday, November 16th at 5:30pm. This evening is a great chance to ask any questions about high school next year. Please make the time to go along and check out what this wonderful school has to offer.

Jesse Reeves from the NRL will be joining us at our assembly on Friday to present our Sydney 7's reps with their medallions. Both our boy's and girl's teams will be up on stage for this presentation and all family members are invited to join us from 1:00pm in the hall.

Please remember to keep up with all of the action at school over the coming weeks by checking any or all of our communication streams. Newsletter, Website, Facebook and Skoolbag will all be our key communication tools, along with, of course, a quick phone

Have a great week.

Todd.

Remembrance Service

We held a Remembrance Day service at our weekly assembly on Friday. Thank you to Ms Baker for the touching service. Well done also to the students who attended the Remembrance Day service at the Nambucca Heads RSL cenotaph. You make our school proud!

CBA Colouring Competition

Enclosed in this week's newsletter is a Commonwealth Bank colouring sheet. All students can enter. Once complete, hand in to the Front Office. Mr Potter will pick the winner towards the end of the year! There will be prizes!

Girls' Group Beauty School

Last Thursday, our Stage 3 Girls' Group were fortunate to have a visit from the ladies at Salon of Beauty in Nambucca Heads. Xiaonin and Tiara taught the girls how to look after their skin, and told them the importance of eating well and drinking plenty of water. All girls took home a sample pack, while 4 students were awarded with beauty products. Thanks to Salon of Beauty for this special lesson!
