Week 2 Term 2

8th May, 2018

Welcome to Week 2 of Term 2.

Congratulations to Tarran, Kyan, Tyron, Jake Duckett and Malachai who all attended the North Coast Trials in Yamba yesterday. All boys represented their school with pride and did not look out of place amongst the 60 best rugby league players on the Mid North Coast. Tarran and Malachai were successful in gaining selection in the NC side and will now attend the State Carnival in Kingscliff in about 6 weeks. Mr Freebairn is the coach of the North Coast side and is excited to be joining these boys on their rugby league journey.

Unfortunately our Dolphins Rugby League Team was knocked out of the PSSA competition on Thursday. The boys stood their ground against much bigger opposition and certainly did their school proud. As you will read below there is still plenty more sport to come in 2018!

District Touch Footy Trials will be held this Wednesday at EJ Biffen Field. We will be sending quite a few boys and girls to trial for a place in the District side. Miss Wesley and I will be coaching the district sides.

This Thursday will see both our Boys' Basketball Team and our netballers in action. The netballers will be attending the PSSA Gala day in Macksville and the basketballers will be playing NHPS in the first round of the PSSA Knockout. Mrs Bekis and Cass have been training each lunchtime with our 2 netball teams and Miss Baker and Pete have been guiding the basketballers as both teams prepare for a great day of fun and competition.

District Cross Country will be held in Bowraville this Friday. Mrs Smith and Mr Heward will be in attendance. Our team will be announced today and notes will be sent home. Congratulations to all of our runners on their efforts last Friday. Teachers on check points reported a far greater rate of active participation than in previous years. It is a tough run regardless of the age group and it was great to see so many kids getting in and doing their best. It was also wonderful to see so many family members out in force to support our kids!

Our whole school ANZAC ceremony was very special indeed this year as Miss Baker shared her memories and memorabilia from her 20 years' service in the military. It was a wonderful presentation and something I think that our students will remember for a long time. A huge thank you to Miss Baker for bringing the past to life for our students.

We have had a couple of confirmed cases of chicken pox this week. Please be vigilant with your child and get straight in to see the doctor should they come out in small itchy welts. More information on chicken pox is available at this web address.

Have a great week.

Todd.
