Week 6 Term 3

28th August, 2018

Welcome to Week 6 of Term 3. It was great to watch our Under 11's get up in the major semi-final on Saturday. It was also great to see the mighty Port Macquarie Sharks take out the Group 3 Grand Final on Sunday! I hope everyone had a great weekend!

Mrs Coulter pulled together yet another wonderful Book Week Parade on Friday. Robin does an incredible job of bringing our library and literature to life each and every day. There is a huge amount of work that goes in behind the scenes for events such as the Book Fair, but also on a daily basis, making sure the library is vibrantly decorated and always open for our kids at each break. A huge thank you to Mrs Coulter for all of her efforts!

We missed out on mentioning that Tarran Jarrett-Marks also made it through to the North Coast Athletics last week. He came second in the shot put and is hoping to follow in his sister's footsteps with further representative honours! Well done Taz!

Our Touch Footy boys went down to Kempsey South on Thursday. The trip away took it out of the boys and they lost the first half 5-0. They had warmed up by the second half with some incredible efforts by Matthew Daley and Corey Cross. The boys won the second half 2-0 but it was not enough to get them over the line on the day. The team tried their best and played with true sportsmanship. We were very proud of them all.

SCB and SCT gave me a towel up in their regular Thursday morning beep test. We made it to level seven but I think I was a few sneaky laps behind. A special mention to Lyric Thomson who was incredibly impressive with her efforts and attitude! Ashton Summers-Mladin finished level 7 without raising a sweat! Ms Baker and Mrs Tsujimoto had a real crack, just to show the kids how fit their teachers are. I've been booked in again for next Thursday so I will need work on my fitness between now and then.

We currently have 2 vacant positions in our school that will be filled this term. An Assistant Principal position to start W1 2019 and a classroom teacher position to start immediately. The AP position will be advertised and our panel, consisting of myself, Nerida Hardie (AECG rep), Vanessa Bekis (Staff Rep), Gill Baker (Executive rep) and Jenny Lamb (P&C Rep) have been hard at work setting up the process and advertising. Watch this space for further news as it becomes available.

The NDIS Roadshow will roll into FPVC on September the 19th. This is a great opportunity for parents and carers to get together with a range of service providers and sort things out on the spot. The Roadshow will run from 2pm – 5pm and there will be child minding available for FPVC families. If you would like to know anything more about this opportunity then please do not hesitate to contact me at school.

Have a great week.

Todd.
