Week 8 Term 1

17th March, 2020

Welcome to Week 8 of Term 1.

There is lots of media coverage on the Coronavirus at the moment so it is vitally important that our community is fully informed on the decisions that will most affect them.

Our school will remain operational unless we are directed to close. When this happens we will be sure to give you as much notice as possible.

Students and staff who have flu like symptoms or appear unwell are asked to remain at home.

We will change a few of our daily routines that involve all of the school coming together and make sure that hand washing and special awareness are a real focus over the next few weeks. Excursions and trips away have been cancelled for Term 1.

We will keep you posted through Facebook and our website.

If you have ANY questions, big or small, then please do not hesitate to ring. Keeping our kids safe has always been a priority and the next few weeks will be no different. Our wider school community has an incredible ability to work closely together and this will be so important over the coming weeks.

All 3 of our netball teams were undefeated during the Netball Schools Cup Gala Day on Thursday. This is an incredible achievement, especially considering the netball experience of the teams we beat. Congratulations to all of the kids involved and well done to Mrs Bekis and Cass on their coaching efforts. Our 2 older teams will be playing at Port Macquarie early next term.

Our Pets program was supported on Friday through a visit from Karen Austin from the Responsible Pet Owner Program. Karen worked through some ideas with Kindergarten and Stage 1 and introduced them to Thunder the Therapy Dog. By all accounts the afternoon was lots of fun and our kids learnt a lot about the responsibilities that come with pet ownership.

All extracurricular activities this week have been cancelled. We will let you know of any changes as soon as we can.

Have a great week and please be sure to ring or pop in if you have any concerns.

Todd.

Respect other dogs and ask the owner if you can pat it.

Georgia 2-1L

If you walk up to a dog that is angry, you have to stay still like a mouse and look down at your shoes.

Lerian 2-1L

Just put your finger under a dog's nose so he can smell it.
