Newsletter Issue 9

Week 6 Term 2

2nd June, 2020

Welcome back to Week 6 of Term 2! It has been a while since our last newsletter and we have all been through some rather interesting times.

Please be sure that your child continues to attend school on every day possible. If for any reason they are not able to attend it is vitally important that you call, pop in or email to let us know. As students return to face to face learning it is so critical that we develop consistent attendance patterns quickly if we are to minimise the impact of the past 3 months on each student's learning and progress.

Academic reports will go out this term. We will send them home in the last week. As you can imagine, the format will look slightly different due to the attendance patterns over the last few months. We have spent time identifying which outcomes are best reported on and how best to share this information with our families.

Please take the time to read through your child's report carefully and let us know what you think of the new format. We actually think that this new format is far more informative for our families and far easier to understand, so with your approval we will continue to report in this way. I look forward to hearing your feedback.

Home/school communication certainly became a priority throughout the Learning from Home months and this is one aspect of the Covid times that I think we can continue to build on. Our families can communicate with their school through Facebook, a phone call, Microsoft 365, emails and, of course, face to face. If you need a hand with anything please do not hesitate to contact us and let us know how we can help.

Have a great week.

Todd.

Dear Parents and Carers,

At FPVC PS we are making a Milk Bottle Igloo.

If you use 2 litre milk bottles, could you please rinse out and send in to the Front Office.

Thank you so much.

Jayce 6-5H

Environmental Coordinator

## Diary

**Mon 8th June**

Public  
Holiday

**Wed 1st July**

Reports  
Go  
Home

**Fri 3rd July**
